SAI KALYAN BADE

Dublin, Ireland | **+353 899 642 636** | **saikalyanbade4@gmail.com** | **linkedin.com/in/sai-kalyan-bade-aab15920a**

PROFESSIONAL SUMMARY

Innovative Data Analyst with Master's degree in Data Analytics (NCI, Dublin) and proven expertise in transforming complex datasets into actionable business intelligence. Demonstrated impact across product analytics, healthcare predictive modeling, and enterprise business intelligence—delivering 70% process automation improvements and enabling data-driven strategic decisions. Advanced proficiency in Python, SQL, Tableau, and Power BI combined with deep machine learning knowledge .(CNN, Vision Transformers, statistical testing).

PROFESSIONAL EXPERIENCE

Data Analytics Intern | **Effling Kids, India** | *June 2024 – December 2024*

- User Behavior Analytics & Product Optimization: Analyzed engagement patterns across educational mobile app with **1,000+** Google Play Store downloads serving 3-7 year-old demographic; identified key behavioral trends.

- A/B Testing & Statistical Hypothesis Validation: Designed and executed multivariate A/B testing framework on 5 product features (notification timing, UX variants, reward mechanisms, learning paths); conducted rigorous statistical hypothesis testing (chi-square, t-tests, ANOVA).

- Predictive Machine Learning Models: Built and compared predictive churn models using Logistic Regression and Random Forest algorithms; **achieved 84.3% classification accuracy.**

- Real-time Dashboard Development & BI Infrastructure: Designed and deployed comprehensive Tableau dashboards **tracking 20+ daily active** user metrics.

- Process Automation & Workflow Optimization: Developed Python and SQL automation pipelines

Customer Advisor | **B&Q, Dublin** | *March 2025 – Present*

- Delivered customer service in fast-paced retail environment; collaborated with team on store performance and operations
- Demonstrated adaptability and reliability, managing complex customer requests while maintaining high service standards across multiple departments
- Collaborated effectively with diverse team members to ensure smooth store operations and customer satisfaction.

ADVANCED ANALYTICS PROJECTS

1. **LLM-Based Fake Review Detection & Classification (MSc Thesis):** Technologies:Python, NLP, DeBERTa, XLNet, Attention-GRU, BERTTransformer ModelsDeveloped ML system detecting fake product reviews using 6 transformer architectures. **Achieved 89.2% detection accuracy (vs. 82.5% baseline) on 50,000+ reviews** through advanced NLP and automated hyperparameter optimization. Demonstrated expertise in cutting-edge LLM technologies with production-ready codebase.

2. **Restaurant Chain BI Dashboard** – SQL, Python, Salesforce CRM, Power BI Interactive dashboard **analysing 50,000+ transactions across multi-location** chain; calculated churn risk scores; automated SQL pipelines reducing manual reporting by 15 hrs/week

PROFESSIONAL CERTIFICATIONS

1.Cisco Data Analytics Essentials – Data fundamentals, analytics tools, business applications, industry-recognized credential

2.Accenture Data Analytics & Visualization Job Simulation – Advanced analytics, data visualization design, stakeholder communication

3.Quantium Data Analytics Job Simulation – Customer analytics, retail insights, business problem solving methodology

TECHNICAL SKILLS

Languages: Python (Pandas, NumPy, Scikit-learn, TensorFlow), SQL (MySQL, PostgreSQL), R | **BI Tools:** Tableau, Power BI, Salesforce CRM | **Databases:** MySQL, PostgreSQL | **ML/AI:** CNN, Vision Transformer, Logistic Regression, Random Forest, A/B Testing | **Tools:** Github, Jupyter, Google Analytics, Google Colab

EDUCATION

Master of Science in Data Analytics | National College of Ireland, Dublin | 2026

Bachelor of Computer Applications | Nizam College, Hyderabad | 2024 | GPA: 9.1/10

PROFESSIONAL PROFILE & WORK AUTHORIZATION

1.Professional Portfolio: https://github.com/Sai25821 – Public projects showcasing data analysis, machine learning, and business intelligence work

2.Work Authorization: Full Irish work rights confirmed (Stamp 1G).
